

Name: Dr. Alain Mongeon - Chiropratie AMS Inc.

Overall outcomes* for :				
	Disc Herniation	Disc Degenerations	Sciatica Radiculopathy	Overall
86% or More				
71% to 85%				
56% to 70%				
41% to 55%				
Less than 40%				

Comments:

After more than 5 years with SpineMED® our results keep improving! We have many MRI showing complete retraction of disc herniation just after our protocol. The results for disc degeneration and arthrosis of the spine are amazing! Following my patients evolution science 2007 I can appreciate how well the treatment holds in time. Neurovertebral decompression is definitely the way to go for those advanced cases.

* The above data is not peer reviewed. It is the subjective response from a Physician grading their clinical results with the SpineMED® System.
