**Comments:**

We utilize other modalities to address the myofascial components of the condition being treated. This has improved our outcomes tremendously. I would love to share these findings with other clinicians.

\* The above data is not peer reviewed. It is the subjective response from a Physician grading their clinical results with the SpineMED® System.

Dear SpineMED® Operator:

As part of our ongoing effort to continually improve the SpineMED® System, we are collecting clinical performance data from all users of the device.

Please complete this survey and fax it to 250-563-3177 or email a copy to [info@spinemed.com](mailto:info@spinemed.com).

Thank you for your support.

Best regards,

Tim Emsky
